## Immanuel Lutheran Church & School

154 Meadow Street, Bristol, CT 06010 Church: 860-583-5649 School: 860-583-5631 www.ilcs.org

Greetings in the name of our Risen Lord and Savior Jesus Christ!

I would like to give you a brief "State of Immanuel" update. These have been and continue to be uncharted times for all of us. In the midst of all this pandemic and unrest in our country and the world – we place our trust and hope in our Savior.

Exciting things have been happening at Immanuel Lutheran Church and School and I would like to highlight a few:

- We are now live streaming our Divine Service each Sunday and all of our Advent and Lenten mid-week services. These can be viewed on various social media platforms (Facebook, YouTube);
- We are broadcasting each Sunday Divine Service on Nutmeg TV at 10:30am on the following Sunday;
- We continue our radio ministry on stations AM 990 and FM 96.1 each Sunday at 1pm;
- We have upgraded our broadband network in both the Church and school to accommodate these platforms as well as our virtual learning for our students and faculty;
- Electronic giving has been implemented using the E-offering on line donation tool;
- Enrollment in our school has significantly increased as many parents seek to have their children in class and not full or part time virtual learning.
- Stewardship for the work of the Lord continues to be supported by our membership;

These new opportunities directly resulted from the pandemic. We have been able to continue to spread the Word and maintain Worship venues for our members and the public at large. As proclaimed in the Gospel:

*"Therefore, go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you. And surely I am with you always, to the very end of the age."*

I pray the Lord will continue to Bless our efforts as we continue in Faith our support of Immanuel Lutheran Church & School.

**“The Sacrifice of Love”**

*“The sacrifices of God are a broken spirit; a broken and contrite heart, O God, You will not despise.”*

Psalm 51: 17

This month many will be celebrating Valentine's Day. A few days later the Christian Church will begin its annual preparation for Easter, as the Season of Lent commences on Ash Wednesday (February 17<sup>th</sup>). Love and Lent – “they go together like two birds of a feather!”

Unfortunately for some, Valentine's Day can be pretty confusing. At least, that's what Reuters News Service reported recently.

For example, eight million Americans admit to sending themselves Valentine gifts. So, if the person in your office has five dozen roses, it may not be from a known or unknown admirer. They just may not want to feel lonely or unloved on Valentine's Day.

Valentine's Day can be confusing. According to a recent phone survey there is a big difference between what people want as a gift for Valentine's Day and what they're probably going to get.

For example, twenty-two percent of the men polled said they were going to give their wives or girlfriends lingerie as a Valentine's Day gift. Lingerie was their top choice. Only two percent of the women said lingerie was a gift they would appreciate.

On the other hand, if you think diamonds are a girl's best friend, you may not be wrong. Jewelry was the top gift

choice when the ladies were asked. When the men had their turn of rating gift ideas, jewelry ranked no higher than fifth place.

Valentine's Day can be confusing. For example, the survey says many practical (or cheap) men readily agree when their lady suggests she “really doesn't want a gift this year”, or “we don't have to exchange gifts this year for Valentine's Day”. Those lines are nothing more than that – lines. Because Valentine's Day is so confusing many relationships have a tough time surviving the day. The survey suggested that three million couples have broken up on Valentine's Day.

This leads me to ask, “What will you give God for Valentine's Day?” We already know what He has given us – His Son. We see the Father's love in Jesus' birth, His life, His suffering, death, and resurrection. Because of Jesus we have been given forgiveness and life eternal. Now the question is, “What shall we give God?”

It's not an easy question, is it? How do you find a present to give Someone who already owns everything? Thankfully we don't have to rack our brains for an answer. In Psalm 51, God says what He wants: a broken and a contrite heart. God wants our repentant, trusting hearts for Valentine's Day, Ash Wednesday... and for everyday.

## THE LUTHERAN CHURCH—MISSOURI SYNOD

### The LCMS and COVID-19 Vaccines: Facts and Considerations

#### COVID-19 Vaccines and Abortion

- Reliable information on the sourcing and testing of COVID-19 vaccines from the pro-life researchers of the Charlotte Lozier Institute may be found at [lozierinstitute.org/update-covid-19-vaccine-candidates-and-abortion-derived-cell-lines/](https://lozierinstitute.org/update-covid-19-vaccine-candidates-and-abortion-derived-cell-lines/).
- According to the Lozier Institute, the current FDA-approved COVID-19 vaccines (Pfizer/BioNTech and Moderna) do not use aborted human fetal tissue in the design, development or production of the vaccines.<sup>1 2</sup>
- The current FDA-approved COVID-19 vaccines have been *tested* using human fetal cell lines (as are many other medicines, such as the MMR and polio vaccines, as well as treatments for HIV, Parkinson’s and diabetes), but the vaccines themselves do not contain any aborted fetal cells.<sup>3</sup>
- Many remaining COVID-19 vaccines in development do use human fetal cell lines and are therefore considered “ethically controversial” (for instance, the UK-approved Oxford/AstraZeneca vaccine as well as the one from Janssen/Johnson & Johnson).

#### COVID-19 Vaccines and the Synod

- The Synod in convention has repeatedly adopted resolutions supporting the sanctity of human life and opposing abortion (e.g., 2019 Resolution 3-02A, 2010 Resolution 6-02A, 2007 Resolution 6-02, 2004 Resolution 6-04).
- The Synod in convention has not officially adopted a resolution concerning the use of vaccines developed from or tested using fetal cell lines.
- The absence of an official Synod stance does not impact an individual’s ability to seek a religious or personal belief exemption from vaccine requirements. In many states, religious exemptions from vaccine requirements can be obtained by individuals on the basis of conscientious objection.
- Complete consensus does not exist in the pro-life community at-large on the reception of vaccines developed from or tested using fetal cell lines (e.g., the debates within Roman Catholic circles).<sup>4</sup>
- The Commission on Theology and Church Relations has published no report or opinion on vaccines. It has discussed the possibility of addressing it pursuant to 2019 Resolution 11-01A (“To Give Guidance and Encourage Action on Beginning-of-Life Issues”), but work on that has not begun.

#### What We Can Say

- The Synod remains steadfastly committed to the sanctity of human life and supportive of those institutions and individuals advocating for the unborn.
- Genuine concerns for life exist on both sides of the COVID-19 vaccination question: concern for the use of aborted fetal cells in the design, development, production and testing of vaccines, as well as concern for the physical well-being of one’s neighbor endangered by the virus.
- There is no official Synod position on the use of COVID-19 vaccines (as such positions are ordinarily expressed through a resolution of the Synod in convention).
- Christians should respect the consciences of one another on a question where Scripture and the Synod have not spoken expressly.
- Members of the Synod and Synod congregations are encouraged to:
  - Educate themselves about the vaccines;
  - Consult with trusted health care providers, clergy and those who may be impacted by their decision; and
  - Act on the basis of informed conscience as to receiving the vaccine.

<sup>1</sup> For this and other information on the use of fetal cell lines in relation to COVID-19 vaccines, see [lozierinstitute.org/an-ethics-assessment-of-covid-19-vaccine-programs/](https://lozierinstitute.org/an-ethics-assessment-of-covid-19-vaccine-programs/). The two cell lines pertinent to COVID-19 vaccines — HEK-293 and PER.C6 — were developed by a Dutch scientist from separate abortions that occurred in 1972 and 1985, respectively, though these abortions were not undertaken for the purpose of medical research. On this, see “Human Cell Strains in Vaccine Development,” *The History of Vaccines*, last modified Jan. 10, 2018, [historyofvaccines.org/content/articles/human-cell-strains-vaccine-development](https://historyofvaccines.org/content/articles/human-cell-strains-vaccine-development). <sup>2</sup> Some objections have been raised within Roman Catholic circles to the status of the Moderna vaccine. ## Young at Heart

### Blessings to each one of you for a healthy Happy New Year 2021!

Although we missed seeing all of our "over age 50" members and friends during last year due to the terrible virus, we are holding out hopes that we can get together for our monthly lunch events sometime this year. You remember that we do not ever hold our monthly lunch program in the winter months due to the uncertain weather and our safety concerns. This year when you see that our local senior centers are fully operating as usual, then we can plan our lunch events. Remember to continue to phone a friend or two each week; you both will enjoy the phone visit since we can't visit in person. If you feel safe, we could see one another in church, and at our Ash Wednesday service on February 17. Have you gotten the Covid vaccine's two shots yet? Please continue to stay safe, wear your mask when going out, and stay a safe distance apart, so we all can enjoy a healthy New Year 2021 !!

### From your Parish Nurse

Today's times are a real challenge to all of us. I pray daily to our Lord and Savior Jesus Christ that His will be done and that we trust in Him, knowing He is in charge. I encourage everyone who is able to receive the vaccine, to make an appointment as soon as you are able. I also suggest people continue to wear their masks, wash their hands, and keep their distance, not only for their own protection but for the protection of people they come in contact with. God's blessings to all of you.

*Roberta Kuhn,*  
Parish Nurse

### eOfferings

Just a quick reminder for our members and others who attend worship online... You can register online to give your offering each week by visiting our website at [www.ilcs.org](http://www.ilcs.org) and then just click on the **Donate Now – My eOffering** option. This online offering technology is being used by many of our members already (as well as by many other churches). It is a secure way to consistently give your offering each week. If you would like to register to tithe using the eOffering system and have questions, please contact the church office for assistance at (860) 583-5649. Thank you!

### We love our volunteers!

Our church and school relies on each and every one of the people that volunteer their time and talents to keep our entire organization running smoothly year after year. They work hard to spread the Word while making our church/school life spiritually beneficial, engaging, stable and fun! From annual events with many volunteers that bring us Sauerkraut Suppers, Youth BBQs, and the German Festival – to others that dedicate themselves daily or weekly to duties that are not really seen by others throughout the year. Our volunteers are amazing! So amazing that the Board of Christian Stewardship, along with the full church Council would like to recognize each and every one.

To kick off this effort, we would like to hear from you! Please nominate up to three other people who you believe should be recognized for their efforts in a special way. Just jot the name of the person you'd like to nominate, along with brief message why you've nominated them and send it to us. A nomination collection box will be available in the church lobby beginning, Sunday, January 24th. If you can't get into church to drop off your nominations, you can mail them to the church, or, email your nominations to: [dkrampitz@ilcs.org](mailto:dkrampitz@ilcs.org)

ALL our volunteers, nominated or not, will be honored on Sunday, February 14th – Valentine's Day – the perfect day to show our love for those who love their Lord and church family so much!

Decorating the church using violet. Violet, the color of royalty and repentance, is the color for Lent. In biblical times, violet dye was very expensive and could only be purchased by royalty or the very rich. The people of God our His royal priesthood (1 Peter 2:8-9). We decorate the church in the royal color of violet for our times of repentance – turning away from our sins and turning toward Christ for His mercy and forgiveness.

No longer singing Alleluia. Alleluia is a Hebrew word that means “Praise the Lord.” It appears often in the Psalms and is a joyous expression of faith in God. During Lent, we do not use this joyous response in order to focus on our need for repentance and faith.

No longer singing the Gloria in Excelsis. Just as in Advent, so in Lent we give up singing the joyous Hymn of Praise. We do this to focus our worship on repentance.

Lent is a season that has a number of interesting customs: Ash Wednesday and the Imposition of Ashes. Lent always begins 40 weekdays before Easter on Ash Wednesday. The name comes from the ancient custom of the imposition of ashes. The pastor dips his thumb into some ashes (traditionally made from the palm branches from the previous Palm Sunday) and

**LENTEN WORSHIP**

marks an ashy cross on each person’s forehead while saying, “Remember that you are dust, and to dust you shall return.” This custom uses the biblical image of ashes (Job 42:6) to remind us that we, too, shall die and therefore need forgiveness from Jesus.

Fasting. Fasting is giving up eating at a particular meal or time in order to devote that time to prayer and meditation on the Word of God. Jesus directed that His disciples would fast (Matthew 6:16-18), and the Small Catechism says that fasting is “fine outward training” before taking the Lord’s Supper. Many Christians use Lent as a special time of fasting – especially on Fridays in remembrance of Good Friday when Jesus died on the cross.

Giving something up for Lent. It’s similar to fasting, except instead of a meal a person might “give up” any favorite item: a toy, television, desserts, etc. The idea behind giving something up for Lent is to be reminded to pray, to study God’s Word, and to think of Jesus’ sacrifice when you miss the thing that you have given up.

Midweek services. Many churches observe Lent with special midweek services. These extra times of worship during the week help us to hear God’s Word and prepare us to observe Holy Week and celebrate Easter.

## From the Principal's Desk

Dear Immanuel Lutheran Church Members and Friends,

Our 7<sup>th</sup> and 8<sup>th</sup> graders are currently in 4<sup>th</sup> place in a national reading competition, READBowl. The competition is designed to inspire active reading and provide teachers with a platform to motivate their classrooms to increase reading minutes. It began on January 11, 2021, the day of the College Football National Championship, and culminates on February 7, 2021 with the crowning of the Global Reading Champions on Super Bowl Sunday. If you're watching the Super Bowl, watch for the announcement of READBowl champions for the middle school level.

Lutheran Schools Week was not deterred by the pandemic. Other than wearing masks and keeping in cohort groups, it was a normal fun week-long event. Students had special dress days, which included Mis-Match Day, Decades Day, and Beach Day. PTO provided each class with t-shirts with the motto "Sent to Serve" in a class color. Teachers and staff were included as well. Events for the week included a Bible Bee, a Dance Off, a Rock-Paper-Scissors Tournament, and an Amazing GRace. Thrunner up Makayla Bloom, grade 8. The Dance Off winning class was PK4, e Bible Bee winner was Elizabeth Orlando, grade 3, with with Kindergarten the runner up. The lower school Rock-Paper-Scissors Tournament winner was Emily Montowski and the upper school, and overall winner, was Saniya Robinson. Every group was a winner in the Amazing GRace, which included reciting pledges, counting lights in the sanctuary, trophies in the trophy cabinet, and turkeys on the wall, lemon licking, basketball skills, and ended with an Apostle's Creed puzzle. It was a fun week! Students will propose missions for the Penny War Proceeds in chapel this week. They met their goal of \$1,000 for the Iron Giraffe Challenge to provide clean water to people in Sudan.

Enrollment continues to climb and is currently at 106. The Little Lambs program has had several new students added in January. Also in January, we have had two to four grade school and PK tours a week for new enrollments for the 21-22 school year. This growth is very exciting as we are able to teach more children about God's love and share the wonderful Gospel message with students and their families.

Blessings!  
Anne  
Stuhlman
